The screenshot displays the Destination Makueni website interface. At the top, there is a dark navigation bar with social media icons (Facebook, LinkedIn, Google+) and the email address 'info@destinationmakueni.com'. On the right side of the navigation bar, it shows 'KES', a notification bell icon, and the user name 'Hi, Devlan Solutions LTD'. Below the navigation bar is the 'Destination MAKUENI' logo and a menu with items: HOME, HOTELS AND RESORTS, TOURS, SPACE, CABS, and BECOME A VENDOR. A user profile dropdown menu is open, listing options: Credit: 0, Vendor Dashboard, My profile, Booking History, Change password, My plan, and Logout. The main content area features a large landscape image of a savanna with a volcano in the background. The text 'Tembea #017' is prominently displayed, followed by the tagline 'Welcome To Destination Makueni - Uncover Nature's Pulse and the Pinnacle of Hospitality'. Below this is a search bar with tabs for Hotel, Space, Tour, and Car. The search bar contains the following information: Location (Where are you going?), Check In - Out (06/22/2024 - 06/23/2024), and Guests (1 Adult - 0 Child). A 'SEARCH' button is located to the right of the search bar. At the bottom of the page, there is a section titled 'Top Places To Explore In Makueni' with a subtext: 'Makueni, a gam in Kenya, boasts an array of captivating destinations that are perfect for any explorer.' Three small images are shown below the text, representing different scenic views of the region.

Manage Verification Data

The screenshot displays a user interface for managing verification data. On the left is a dark blue sidebar with a user profile and a list of navigation items. The main content area shows the 'Verification data' page with a breadcrumb 'Home > Verification', a profile picture, and verification status for 'Phone' and 'ID Card', both marked as 'N/A' and 'Not Verified'. A yellow button labeled 'Update verification data' is positioned below the status information.
